5.3.1 - Student council is active and plays a proactive role in the institutional functioning Describe the ways in which student council plays a proactive role in the institutional functioning and contribute for students welfare in not more than 100 - 200 words

The role of student council in the institution is very different. College focuses on training and educating students in planning, organizing and implementing activities in a systematic way so that they are able to perform effectively and work efficiently when they join the teaching profession. It is simply helping them to 'Learning by doing'. It helps them to realize their own strengths and foster creativity in doing different tasks. 'The essence of education is to discover one's uniqueness, and teach how to use it.' College follows the practice of Students Council formation through Nomination of a student from each Micro Group.

Functioning of the Student Council - The in-charge staff member and the nominated student representative work together while planning and conducting the different activities of the college.It is useful to communicate with the students through these representatives and establish a bond with them.

Member of IQAC: - One student is also the member of the IQAC of the college. This is beneficial for getting ground level feedback and accordingly developing the plan of action of the college.

6.1.2 - Institution practices decentralization and participative management Describe the process of decentralization and participative management practiced in the institution in not more than 100 - 200 words

To move towards achieving successful and effective implementation of its academic and administrative functions the institution adopts a decentralized process of governance.Hence we have teachers, students and non-teaching staff on various decision making bodies of the institution. We take into consideration the various academic and administrative activities which we have to perform during the year. To prepare it we follow a needs based planning. We nominate staff members as heads to look after the functioning of the various departments of the institution. The report given by these respective staff members for the previous

year and the feedback of the students is considered very important while planning for the next year. During the various meetings of the decision making bodies the relevant aspects are discussed and a plan is developed for the coming year. In this way participation is sought of all the concerned stake holders in the planning of the activities of the institution. For eg. The heads and supervisors of the schools are involved while planning for internship, the staff members and the representatives of the students on the Students Council, together plan for the various activities. IQAC looks after the total feedback of the various activities.
